

# BIM182OS

34.75" x 17.75" x 23.75" (H x W x D)

18" wide outdoor clear icemaker for built-in or freestanding use under standard height counters, with stainless steel door and cabinet

**Highlights:**

- Slim 18" width is perfect to complete any wet bar or undercounter kitchen space
- Produces up to 60 lbs. of clear ice cubes in a day cycle with a 33lb. storage capacity
- Full stainless steel exterior ensures lasting durability with professional style

**Product Features:**

|                                 |                                                                                                              |
|---------------------------------|--------------------------------------------------------------------------------------------------------------|
| Outdoor 18" Wide Clear Icemaker | Built-in undercounter icemaker ideal for installation in kitchens, wet bars, break rooms, and other settings |
| Weatherproof design             | Durable stainless steel construction for safe installation in outdoor spaces                                 |
| Built-in capable                | Make the best use of space by installing your icemaker under the counter                                     |
| 60 lb. production capacity      | Can make up to 60 lbs. of clear ice cubes in a day cycle and store up to 33 lbs. per day                     |
| Height adjustable               | Unit is sized at 32 1/2" and can be raised to 34 3/4" to best fit a variety of spaces                        |
| Built-in pump                   | Internal pump affords more flexibility in placing the unit                                                   |
| Touch control panel             | Provides easy operation of the unit with indicator lights for each stage of the production process           |
| Ice selection                   | Unit allows users to choose from small, medium, or large clear ice cubes                                     |
| Automatic defrost               | Reduced maintenance with auto defrost system                                                                 |

## BIM182OS Specifications:

### Overview

|                            |                 |
|----------------------------|-----------------|
| Nominal Height             | 32.0" (81 cm)   |
| Height of Cabinet          | 34.75" (88 cm)  |
| Nominal Width              | 18.0" (46 cm)   |
| Width                      | 17.75" (45 cm)  |
