

# BIM26LHD

25" x 14.88" x 16.75" (H x W x D)

Built-In undercounter manual defrost icemaker with a stainless steel door and a black cabinet; no drain required

**Highlights:**

Produces 15 lbs of crescent-shaped ice and stores up to 12 lbs

Convenient drain-free design allows more flexibility in positioning the unit

Specifically designed for use in kitchen islands, home bars, break rooms, health offices, RVs, and even boat kitchens

**Product Features:**

|                            |                                                                                                                                              |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| No-Drain 15" Wide Icemaker | Built-in or undercounter capable icemaker designed for kitchen islands, home bars, break rooms, health offices, RVs, and even boat kitchens. |
| Built-In capable           | Make the best use of space by installing your icemaker under the counter                                                                     |
| Large capacity             | Produces 15 lbs of crescent-shaped ice and stores up to 12 lbs                                                                               |
| Drain-free design          | Convenient design allows more flexibility in positioning the unit                                                                            |
| Manual defrost             | Static cooling system helps to keep ice frozen for longer periods of time compared to other systems                                          |
| Reversible door            | User-reversible door swing for flexible placement                                                                                            |
| Sealed back                | Space-saving design with easier cleanability                                                                                                 |
| Standard water hookup      | Operates with a standard 1/4" OD water supply line                                                                                           |
| Modern handle              | Horizontally mounted towel bar style handle in stainless steel                                                                               |

## BIM26LHD Specifications:

| Overview                   |                      |
|----------------------------|----------------------|
| Nominal Height             | 25.0" (64 cm)        |
| Height of Cabinet          | 24.5" (62 cm)        |
| Height to Hinge Cap        | 25.0" (64 cm)        |
| Nominal Width              | 15.0" (38 cm)        |
| Width                      | 14.88" (38 cm)       |
| Width with Door Open       | 15.13" (38 cm)       |
| Nominal Depth              | 17.0" (43 cm)        |
| Depth                      | 16.75" (43 cm)       |
| Depth with door at 90°     | 32.25" (82 cm)       |
| Defrost Type               | Manual               |
| Door                       | Stainless Steel      |
| Cabinet                    | Black                |
| US Electrical Safety       | ETL                  |
| Canadian Electrical Safety | ETL-C                |
| Amps                       | 1.2                  |
| Voltage/Frequency          | 115 V AC/60 Hz       |
| Weight                     | 50.0 lbs. (23 kg)    |
| Parts & Labor Warranty     | 1 Year               |
| Compressor Warranty        | 5 Years              |
| UPC                        | 761101108452         |
| Icemaker                   |                      |
| Door Swing                 | LHD                  |
| Reversible                 | Yes                  |
| Height Adjustable          | No                   |
| Daily Ice Production       | 15.0 lbs. (7 kg)     |
| Ice Storage Capacity       | 12.0 lbs. (5 kg)     |
| Ice Shape                  | Crescent             |
| Size of Cube               | 7/8" x 7/8" x 2-3/8" |
| Number of Ice Cube Sizes   | 1                    |
| Refrigerant Type           | R600a                |
| Refrigerant Amount         | 1.69 oz.             |
| High Side PSI              | 120.0                |
| Low Side PSI               | 55.0                 |
| Interior Height            | 12.25" (31 cm)       |
| Interior Width             | 11.0" (28 cm)        |
| Interior Depth             | 12.25" (31 cm)       |
