GE Profile™ and GE® Bottom-Freezer Refrigerators

The Ultimate in Refrigeration.™

Rethought. Reinvented. *Revolutionized.*

imagination at work

Rethought. Reinvented. *Revolutionized.*

GE Profile Arctica™ and GE® bottom-freezers are turning refrigeration upside down.

Thoughtful design and modern styling.

- Gently **contoured doors with sculptured Profile™ handles** offer a dramatic, kitchen-enhancing look.
- **BrightSpace™ interior** offers flexible storage and enhanced lighting for easy viewing of refrigerator contents.
- **ClearLook™ gallon-door bins** and crispers enhance the overall appearance.

ClimateKeeper™ system—provides maximum freshness.

- **Upfront digital controls** with temperature readout are precise and easy to use.
- **Multiple electronic sensors** for more consistent temperature control.
- Innovative **multiflow air system** helps keep food fresh by maintaining even cooling.

Bottom-freezer convenience puts fresh food first.

- Fresh food compartment is uniquely configured to put favorite foods within convenient reach.
 - **Slide-out, spillproof shelving system** simplifies loading, unloading and cleaning.
 - **Adjustable gallon-door storage** offers added storage flexibility.
 - **ShelfSaver™ beverage rack** provides convenient storage for a 12-pack, two egg cartons or a 9" x 13" casserole dish.
- **Multi-level Slide 'n Store™ system** includes three full-extension baskets, providing the ultimate in freezer storage flexibility.
- **Integrated icemaker** provides easy access to clean, fresh-tasting filtered ice.

Feature gallery.

Rethought. Reinvented. *Revolutionized.*

QuickSpace™ shelf

Quickly slides out of the way to make room for tall items.

Slide-out, spillproof glass shelves

Simplify loading, unloading and cleaning.

Adjustable temperature deli drawer

Provides a convenient, temperature-controlled place for meats, cheeses and other favorite foods.

Adjustable ClearLook™ crispers

Provide the ideal storage environment for fruits and vegetables, with humidity controls and transparent fronts.

Fresh food first

Fresh food compartment offers full-access storage with full-width convenience.

Upfront electronic controls with digital temperature readout

Are precise and easy to use. Takes the guesswork out of selecting accurate temperatures

ONLY GE HAS IT!

ClimateKeeper™ system

Combines upfront electronic touch controls, multiple electronic sensors and a multiflow air system to keep temperatures consistent and help keep foods fresh.

Adjustable ClearLook™ gallon door bins

Hold gallon-size containers with style and ease.

ShelfSaver™ beverage rack

Provides convenient storage for a 12-pack, two egg cartons or a 9"x 13" casserole dish.

BrightSpace™ interior

Offers flexible storage and 160 watts of light for easy viewing of refrigerator contents.

ONLY GE HAS IT!

Contoured doors and sculptured handles

Gently contoured doors and GE handles offer a dramatic, kitchen-enhancing look.

The inside story.

Rethought. Reinvented. *Revolutionized.*

ENERGY STAR®-qualified

Higher energy efficiency means lower utility bills.

Deluxe Quiet Design

Significantly reduces operating noise, so the refrigerator doesn't intrude on dinner conversations.

NeverClean™ condenser

Condenser coils are encased and don't require cleaning in normal operating environments.

ONLY GE HAS IT!

FrostGuard™ technology

Reduces freezer burn by monitoring door openings and usage, defrosting only when needed.

ONLY GE HAS IT!

Multi-level Slide 'n Store™ system

Three full-extension baskets provides the ultimate usable freezer space. Each basket slides out independently of the other baskets, allowing easy loading and unloading.

ONLY GE HAS IT!

Integrated icemaker

Combines an icemaker and ice bin in one system to save space and hassle. The ice bin is integrated into the icemaker, not the freezer baskets, so cubes don't fall onto the freezer floor. It slides out with ease, providing ready access to ice.

GE SmartWater™ filtration

Provides clean, fresh-tasting filtered ice and has a slim, spacesaving design.

Dare to compare.

GE Profile Arctica™ and GE® bottom-freezer refrigerators.

Exclusive ClimateKeeper™ system

- Electronic controls with digital temperature readout are precise and easy to use.
- Multiple electronic sensors keep temperatures consistent and help preserve foods.
- Multiflow air tower distributes cool air evenly throughout the fresh food compartment.

The ultimate combination of food-preservation features.

Competitive comparison—*Temperature Management*

Show and tell.

GE Profile Arctica™ and GE® bottom-freezer refrigerators.

Integrated icemaker

- **Show** your customers how the innovative design increases space and convenience:
 - Open the freezer door and point to the icemaker and ice bin.
 - Pull out the ice bin to demonstrate how it puts cubes within convenient reach.
 - Use an older model to show how the ice bin is typically attached to the freezer drawer, which means less space in the freezer compartment and more cubes on the floor.
- **Tell** your customers that the Integrated icemaker gives them convenient access to clean, filtered ice, without taking up much space.

Competition

All-in-one system gives consumers all the ice—and space—they need.

Bottom-freezer refrigerators.

Rethought. Reinvented. *Revolutionized.*

All Models Include:

■ NeverClean™ condenser ■ Deluxe Quiet Design ■ ENERGY STAR®-qualified

GE Bottom-Freezer "H" Series

- Offered in 18 and 22 cu. ft. capacities
- Contoured doors (22 cu. ft. only)
- Upfront controls (22 cu. ft. only)
- Two split, one full-width glass shelves
- Clear snack pan
- Two clear crispers
- Two full-width fixed door bins, two w/gallon storage (22 cu. ft. only)
- Freezer light
- Reversible doors
- Available in White on white, Bisque on bisque and Black on black

GE Bottom-Freezer "K" Series

- Offered in 18, 20 and 22 cu. ft. capacities
- Contoured doors (20 and 22 cu. ft. only)
- Upfront illuminated controls (20 and 22 cu. ft. only)
- Four split, spillproof glass shelves
- Adjustable humidity crispers
- Four adjustable gallon door storage bins (20 and 22 cu. ft. only)
- One full-width, fixed gallon door bin

**GE Profile Arctica™
Bottom-Freezer "M" Series**

- Offered in 20 and 22 cu. ft. capacities
- Contoured doors and sculptured handles
- Electronic controls with digital temperature readout
- QuickSpace™ shelf
- Four split spillproof, slide-out glass shelves
- ShelfSaver™ Beverage Rack
- Exclusive ClimateKeeper™ System
- Three full-extension freezer baskets
- ClearLook™ adjustable gallon door bins
- Freezer drawer
- Optional Integrated icemaker with GE SmartWater™ filtration

**GE Profile Arctica™
Bottom-Freezer "S" Series**

- Offered in 20 and 22 cu. ft. capacities
- Sculptured Stainless look handles
- Stainless steel appearance

New GE Profile Arctica™ and GE® bottom-freezer refrigerators are turning refrigeration upside down.

A design for every kitchen. A place for everything.

- Contoured doors with sculptured handles take bottom-freezer design way beyond the ordinary.
- Interior design makes versatile use of every inch of storage space.
 - Slide-out, spillproof shelves and adjustable bins offer more flexibility, while making cleanup less time-consuming.
 - Multi-level Slide-n-Store™ system includes three full-extension baskets for complete storage convenience.

Exclusive ClimateKeeper™ system

- Exclusive ClimateKeeper™ system combines three elements to deliver excellent temperature management:
 - Upfront digital controls are precise and easy to use.
 - More electronic sensors than competitors' systems for more consistent temperature control.
 - Multiflow air system includes more vents for even cooling, everywhere.

Easy access to filtered ice.

- Innovative, new ice system integrates an icemaker and ice bin all in one.
- Slide-out ice bin provides easy access to clean, fresh-tasting filtered cubes.

A Century of Quality and Innovation

For more than a century, GE has been committed to producing innovative products that change the way people live. The result of thorough research and rigorous testing, GE appliances are designed for years of dependable performance. Today, the GE tradition of quality and innovation continues.

Before purchasing an ENERGY STAR®-qualified appliance, read important information about its estimated annual energy consumption or energy efficiency rating that is available from your retailer or at GEAppliances.com.

GE has a policy of continuous improvement of its products and reserves the right to change materials and specifications without notice.
