Certifications & Warranty

21 cu. ft. Capacity

This compact second fridge offers 21 cu. ft. of storage space for fresh and frozen foods.

Garage Ready

Maintains stable temperatures in non-climate-controlled spaces. External Temperature Range: 38°F - 110°F

Sliding Snack Bin

Provides flexible, grab-and-go storage for sandwiches, cheese sticks, yogurts, and other small items.

Gallon-Sized Door Bin

Store large containers in the door instead of using shelf space.

Humidity-Controlled Crisper Bins

Easily adjust the humidity controls to keep fruits and vegetables fresh.

Icemaker Ready

Compatible with the Midea IM1900MD Automatic Icemaker. Available for Purchase Separately
