Key Features & Benefits

Built-In Water Faucet

Easily prewash clothes and other items right in the washer with a conveniently located interior faucet that gives you easy access to an instant water stream to remove loose soils.

Intuitive Touch Controls

Let the washer guide you to the right cycle combinations or customize up to 26 of your own to get the right type of fabric care for whatever you're washing.

Adaptive Wash Technology With Active Bloom™ Wash Action

This technology senses the size of each load and then adapts water levels and wash actions, based on the type of load being washed, for optimal cleaning.
