Terms of Promise

Frigidaire® promises that your new Frigidaire® range will fit into your existing 30" or 36" freestanding range cutout, or Frigidaire® will reimburse you up to \$100 for the cost of professionally modifying your countertops. The Frigidaire® Fit Promise program does not cover the cost of installation. The program is intended only to cover potential cost of making modifications to your current kitchen countertops in the situation that the new Frigidaire® model does not fit the existing 30" or 36" freestanding cutout space. In the circumstance that the \$100 maximum re-imbursement does not cover the full costs of countertop modification, then you are responsible for the costs that exceed the \$100 maximum allowance. Countertop modifications and installation must be performed by professional installer or contractor. The promise applies to purchases of any of the qualifying models above in the USA in 2025 from an authorized Frigidaire® dealer only. Countertop modifications for new home construction or remodeling that require the location of the cutout to be moved do not qualify. Not available to clubs, organizations, groups, bulk or multi-unit sales to apartments, condominiums, subdivisions or wholesalers. Limit one claim per household. Claim forms must be submitted within 60 days of purchase or installation, whichever is later. Late, non-compliant or duplicate submissions will not be honored. Claim form may not be assigned, transferred or sold. No substitution permitted. Frigidaire® makes no other promise regarding the fit of your slide-in range other than those expressly set forth herein. By submitting this claim, you hereby accept the stated terms and conditions.
